We take your comfort seriously

After you've enjoyed your boat out on the water, there are so many reasons to stay at the marina. Our summer dock hands and deli staff are happy to make sure you have all the ice, food and fuel you need. The deli serves breakfast and lunch and you can always stop in for ice cream, cold drinks or hot coffee. Our ship's store is well stocked with all the necessities for you and your boat and if we don't have what you need for some reason, we can usually get it for you the next day.

If you've had enough of the boat, come and enjoy a relaxing swim in the pool, go crabbing in the cove, do some grilling on the green or commandeer a picnic table.
