## SERVICE CHECK LIST

### Mooring Service Rates

Three Belles Marina is an authorized mooring service provider for the towns of East Lyme, Waterford and Lyme. In addition to providing a full range of mooring services we provide regular mooring inspections as required; East Lyme (every 3 years), Waterford (every 2 years), Lyme (every 2 years).

Inspection requirements are a minimum requirement and should not be relied upon for your safety or the safety of your vessel. Moorings wear a different rates depending upon the sea conditions, the weight and type of your vessel and the quality of the materials. Three Belles recommends annual mooring inspections especially those located in more active areas such as Niantic Bay, Black Point, Giants Neck and Point of Woods.

### Mooring Services (Please Check Services Requested):

### Rates

**Spring Service** **\$ 100.00**

Remove winter stick and install mooring ball, pennant, mast buoy and permit decal provided by the customer. Winter Stick to be stored at TBM or picked up by customer. Labor included parts extra.

**Fall Service** **\$ 100.00**

Remove mooring ball, pennant and mast buoy and install winter stick with permit number. Mooring ball to be stored at TBM or picked up by customer. Labor included parts extra.

**Reset Mooring Service** **\$ 175.00**

Haul and reset mooring to new location coordinates.

**Inspection Service** **\$ 200.00**

Haul mooring on location, inspect and repair or replace mooring tackle as necessary, reset mooring and complete required inspection form. Moorings requiring more extensive service will be brought to TBM for repairs and the customer will be contacted prior to work being completed. Labor included parts extra.

**Reconditioning & Winter Storage Service** **\$ 350.00**

Mooring will be hauled in the fall, cleaned and stored for winter at TBM. During the winter the mooring will be inspected and the mooring tackle, mushroom pennant(s) and mast buoy(s) will be repaired or replaced as necessary. The mooring ball will be bottom painted and top markings redone to conform to town standards if necessary including: permit number and mushroom weight. Mooring will be reset in the spring. Labor included parts extra. Customers will be contacted if materials cost exceeds \$250.00
